# Reviews

**“I am so happy that I picked the Susquehanna Club for my wedding. I was hesitant at first because I was afraid of hearing the other party because they book both at the same time but we couldn't hear them at all. The food was excellent and all of my guests complimented it. They don't provide a sit down tasting (takeout only) but you don't even have to worry about that because the food is just so good. I constantly emailed Sharen and she was very responsive. We planned on having our ceremony outside but it decided to storm a half hour before the ceremony and she did a great job of making sure that it was coordinated so I didn't have to worry about a thing. Overall I had a great experience and would use them again for another party!”**

**“This was the most perfect wedding venue. The manager and workers were so accommodating and helped in any way possible to make our day the best! The food was delicious. The indoor and outdoor space is just beautiful. There is a lovely view. There is not one thing I would change about this venue. loved it!”**

**“The Susquehanna Club was absolutely perfect! The staff was great every time we interacted with them, but especially day of. They were willing to do just about any special request we could have thought of.”**

**“The Susquehanna Club was the perfect location for our wedding. Sharen was so helpful. She was very responsive to any and all questions we had. The rooms were beautiful for our day. Our guests loved the food! All of the servers were amazing and very helpful. You will not be disappointed with the Susquehanna Club. Thank you for making our day perfect!”**

**“We had both our ceremony and reception at the Susquehanna Club. After our first visit, we fell in love. The photos online do not do this place justice so definitely make the trip to see it and you will probably love it as much as we did. Sharen let us come in multiple times and was very helpful. We chose the buffet option and our server assured us there would be plenty in fact they even packed us a meal to take home. You don't need a sit down tasting here since this food is FANTASTIC! There are many options to choose from and the price you CAN NOT beat. Check out the Susquehanna Club you wont regret it!”**
